Funeral Director

OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of **October 1, 2007** but are subject to change without notice. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries ask that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

ULTIMATE STRENGTH

THE WILBERT BRONZE[®] **\$7,795**
